

Celebration of Life

Benjamin F. Hamilton, Sr.

1934 - 2025

Mr. Benjamin Hamilton was a retired U.S. postal service inspection clerk and retired U.S. Air Force officer. He served on Butt County’s Board of Equalization. He also taught raised beds classes as a master gardener. Ben was a handy-man, fine landscaper and carpenter. He built his home at 333 Stark Road and the house next to it for his best friend Leo Moylan (deceased). Ben’s family once sharecropped on the land and his dad, Frederick Douglas Hamilton, was an AME church pastor in Jackson.

Ben Hamilton was predeceased by his first wife Cassie Hamilton, his son Ben Jr., his second wife Edna Miller Hamilton, and siblings. He leaves behind three daughters Trina, Clovia and Kim; three grandchildren Brandon, Julian and Chloe; and great grandchildren.

Ben was a news junky who loved intellectual conversations, word puzzles, tractors, cars, long drives, and the great outdoors. He was an adventurous, caring, fun-loving “man’s man” and most of his family can attribute their strong work ethic to him. We will forever love and miss him!

If you have fond memories of Ben Hamilton, please send a note card to his daughter for the family’s scrapbook:
